Dear ACMF Partner,

Kristi and I just returned from Sao Paulo, Brazil where we saw God do so many miraculous things. We went with Sammy Tippit and a team of 140

people from across the United States. Sao Paulo is the fourth largest city in the world, containing almost 20 million people. This mission trip was purely for an evangelistic purpose. The team ministered in over 250 churches and visited hundreds of homes containing thousands of people to share the Good News of the Gospel of Jesus Christ in the two weeks we were there. In all, over 65,000 people heard the Gospel and over 4,500 of them received Christ as their Savior.

**God Opens Locker Room Door**

On Thursday, Sammy Tippit and I were walking and praying at the Portuguese Stadium where the

crusade was to be held on July 24-25. Since the Brazilian football season is currently underway, the team came out on the field to jog and loosen up. We asked the coaches if we could speak to the team

management of the team was so thankful, and asked us to come back at 3:00pm so we could speak to the rest of the team. When we arrived, the manager took

us back to the locker room where there were approximately 50 players and coaches. After presenting the Gospel they all stood at attention to our King and asked Christ into their lives. If we lift up Jesus, He will draw all men unto Himself – even football players! Hallelujah!

Kristi experienced miracles firsthand as well. She headed up a group and spent her days visiting

Kristi led to the Lord was named Zilda. She was not only a professing worker of black magic, but was the mother-in-law of one of the Pastor's in the church. After about an hour of sharing, her

countenance changed and she began to weep at the fact that Jesus died for her and wanted to forgive her. She prayed, and God healed her of her past!

Then there two alcoholics named Edgar and Francisco. After Kristi shared that only Jesus can make them clean, they both prayed to receive Him as their Lord and Savior.

As you can see, this is perhaps the greatest time of the Harvest that we have experienced. Thanks to you, we have been able to go and minister to the needy in Africa, India, Mexico, and Brazil. The Mercy Foundation is also continuing to provide for ministries in each of these places. Lord willing, in September, I will be going into Pakistan to share Jesus and help unite the Christian community.

In fulfillment of our Statement of Purpose, we are helping "the least, the last and the lost at any cost." To continue this awesome calling that God has given us, we are asking that you continue to give as the Lord puts it on your heart. We are overwhelmed at the doors that He is opening before us, and we ask that you will pray for us to be obedient in following.

Standing with you and serving together!
