

Alamo City Mercy Foundation

Dear Friends,

December 9, 2003

This has been a great year for the Mercy Foundation, and we cannot wait to see what the Lord has for us this next year. We have seen literally thousands of souls changed and affected by this ministry. I am amazed at what our God has done. To take this ministry and affect Texas, the United States, Mexico, Africa, India, Afghanistan, and other parts of this world.

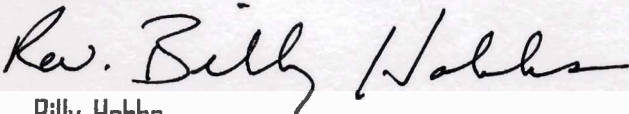

Our God is an awesome God!

The main emphasis of the Mercy Foundation is evangelism, and helping the poor and needy anywhere at any time. Our ministry is not unique or that much different from many others, but the Lord sure has blessed us and those who help us.

As we come to the close of 2003, the Board of the Foundation and I are asking for your prayers and end of the year tax-deductible financial gift to help support these works.

Thank you for your support this past year. It is incredible how God has provided through you.

Bless You!

Billy Hobbs

The Mercy Foundation is a 501(c)(3) Corporation designed to support the needy of the world.
