

# Alamo City Mercy Foundation

MAY 2003

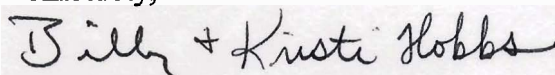

Greetings in the name of our Lord and Savior Jesus Christ. Kristi and I love you very much and thank you for being an Angel of the Mercy Foundation. This is the most exciting time of our Christian lives. After coming back from Africa and now sending help to the Kenyan pastors working with the Chokoras (the children of the dirt) in Nairobi, we are desiring for the Lord to lead us wherever we can be of the most help to the Kingdom of God.

What we are now involved in is possibly the greatest ministry opportunity I can recall. My prayer partner, Sammy Tippit, has just returned from meeting with the new Christian leaders in Afghanistan, and they are in the process of starting the new Church in this country. There will be approximately 50 new pastors and their families coming back into their country after spending years as refugees due to the Taliban. The Mercy Foundation has committed to help them start and build this new work. When I was praying over this, I felt what brother Paul might have been feeling when they started the Churches of the New Testament. It is an incredible new work which will begin the first of June.

This weekend Kristi and I are going to Matamoros, Mexico to help finish an evangelistic work there. If you will remember this is where a satanic group killed the University of Texas student a few years ago. Imagine, an evangelistic work in the very place where satan thought he had won. No way Jose!

These new opportunities that the Lord has placed before us at the Mercy Foundation, are as exciting as anything that we have ever been a part of, and I hope and pray that you will want to partner with us. Please help us by praying and if you are so moved to send us a tax-deductible financial gift to help support these works, it would be greatly appreciated.

Sincerely,

Billy and Kristi Hobbs
